Dear Patient,

In 1946 my friend and mentor Dr. Lawrence Limbert returned from serving in World War II as a member of the United States Medical Corp and established his medical practice in Conshohocken Pennsylvania. Dr. Limbert spent the next thirty-six years of his life caring for the Conshohocken community from birth to death. He was a true family physician. Along with his storied medical career Dr. Limbert was a talented painter and architect.

In the summer of 1983, I started moonlighting at Dr. Limbert's practice. I immediately felt a connection to the people of Conshohocken. I learned much from Dr. Limbert and tried my best to carry on his legacy. I have been fortunate to have served as your doctor for the past forty years. It has been a privilege and an honor to be a part of each one of your lives and I will miss you and your families greatly.

My office will be closing as of Friday August 31st, 2023. All test and studies will need to be completed by June 30th, 2023 and all appointments will also need to be completed by August 31st, 2023. After June 30th, 2023, you will not be able to complete tests or studies ordered by me, my physician assistant or nurse practitioner. It is extremely important to have your studies completed by June 30th, 2023. If a test or study is completed after June 30th, 2023, I will not receive the results and will not be able to inform you of the results.

I have coordinated with Einstein Physicians Montgomery Plymouth Meeting Family Practice to accept custody of your patient records, and if you wish, to provide you with continuing care. The practice is located at 4070 Butler Pike, Plymouth Meeting PA 19462. Einstein Physicians Montgomery Plymouth Meeting can be reached at 610-825-5741 or visit them on the web at www.plymouthmeetingfamilymedicine.com. You can find other Einstein locations by visiting www.einstein.edu or calling 1-800-Einstein (additional information below). If you would like to have your medical records transferred to another practice prior to the date on which our office closes (i.e., prior to August 31, 2023), make an appointment with your new practitioner and have their office fax over a signed medical records release form. We will not be taking in person medical records transfer requests. Please note that after August 31, 2023, any requests related to obtaining copies of or transferring your medical records should be made to Einstein Physicians Plymouth Meeting Family Practice (as noted above and below).
